Talhenspresidiet/Speakers' Council '18

February 10, 2019

Datateknologsektionen har alltid haft problem med inkonsekventa översättningar av svenska termer. Det här är vårt sätt att (försöka) göra något åt det genom att skriva några översättningar.

The division has always had problems with inconsistent translations of terms used in Swedish. This is our way to (try to) alleviate that issue by writing down some translations.
